Self Summary

I am a 6th-semester student majoring in Computer Engineering at Universitas Advent Indonesia with a strong interest in web development. I am proficient in HTML, CSS, and JavaScript and have experience working on campus projects that have sharpened my technical skills and teamwork abilities. I possess a good work ethic, politeness, am hardworking, have a high level of initiative, and am enthusiastic about learning new things. My career goal is to secure a position that aligns with my skills in technology and web development.

Education

S1 Informatics Engineering – 6th Semester

Indonesia Adventist University
